4. Acceptance

4.1 For new ISAs, the Manager can accept a correctly completed and signed application form only if accompanied by a valid cheque payable to Thesis Unit Trust Management Limited

The Manager does not have to accept every application it receives.

For ISA transfers to the Manager:

(a) A transfer will only take effect when the Manager has accepted the Investor's application. The Manager will not accept an application unless and until it has received a correctly completed transfer application form and a cheque made payable to Thesis Unit Trust Management Limited from the investor's previous ISA

manager.

(b) When an Investor transfers from another ISA manager and the Investor has already subscribed in the current tax year, the Investor cannot subscribe further money into the Account with the Manager until after the transfer has been effected and provided the maximum contribution has not already been made.

5. Investment

5.1 The minimum investment permitted to open the ISA and the maximum amount that may be invested in the ISA in the tax year can be found on our Stocks and Shares ISA Application Form. The latest version of the application form is available on request from the ACD. The entire ISA tax allowance limit is able to be invested into a Stocks and Shares ISA or a Cash ISA, or any combination of the two, provided that you do not pay in more than the overall ISA limit within the same tax year. The minimum sum that may be invested through the monthly savings plan is £100 per month. Collection date for regular savings is the 15th of the month or the next business day if the 15th falls on a non-business day.

5.2 New subscriptions or transfer proceeds will be invested in the relevant Fund at the next buying price applicable at the time of acceptance of the application.

5.3 An Account will be opened for the current tax year and, in the case of an Account subscribed by monthly savings plan, for each successive year until the agreement is terminated.

6. Management of the ISA Investments

6.1 We will manage your Account as directed by you in your application or other instruction, and in accordance with the Regulations and these Terms and Conditions.

6.2 Best execution

6.2.1 We are required to seek to achieve the best possible result for you when dealing with any order to buy or sell financial instruments and to set out arrangements for this purpose in a "best execution policy".

6.2.2 We are required to consider various factors when deciding how best to deal with orders from customers. These include price, cost, speed, likelihood of execution and settlement, size, nature and other relevant matters. As we have classified you as a Retail Client we will usually consider price to be the most important factor for you.

6.2.3 However, for orders relating to Shares in the Funds, the only method available for dealing with most of these in practice is to transmit them to the ACD for execution: the ACD will be deemed to be the "execution venue" for these purposes. Where there is only one execution venue that we can use in practice to deal with your orders, we will have to use that venue regardless of the impact of the execution factors listed above.

6.2.4 Sometimes one of the Funds may be available via another trading platform provided by a third party. Strictly speaking, this could be an alternative execution venue. However, we do not use such platforms for the Funds, as we do not believe that we would obtain a better price by doing so. The use of a particular platform may also not be permissible under the Regulations; for example, if it means that investments acquired through

the platform must be held in the name of a nominee of the platform provider.

6.2.5 The arrangements explained above may involve execution outside of a regulated market or multilateral trading facility (within the meaning of the Rules).

6.2.6 We will monitor the effectiveness of the arrangements mentioned above and implement any necessary changes to our best execution policy from time to time. This will involve reviewing whether using other means to route orders would be feasible and would generate a better result for you. We will notify you of any material changes to our best execution policy and arrangements made from time to time, where they are relevant to you.

6.2.7 Please note, any specific instructions from our customers as to how their orders are dealt with may prevent us from taking the steps that we have designed to obtain the best possible result in the circumstances.

By agreeing to these Terms and Conditions, you will be giving: your prior express consent to the execution of orders outside a "regulated market" or a "multilateral trading facility" (as those terms are defined in the Rules) where this is appropriate; and your consent to our best execution policy as summarised above.

6.3 Appropriateness

We are not required to assess the suitability of the investment or service provided or offered to you and, as a result, you will not benefit from the protection of the Rules on assessing suitability. Therefore, we will not assess whether: the investment or service meets your investment objectives; you are able financially to bear the risk of any loss that the investment or service may cause; or you have the necessary knowledge and experience to understand the risks involved.

6.4 Legal title to the Investments will be vested in the name of the Manager but beneficial ownership will be, and will remain with the Investor. Your investment will not be lent to third parties or used as security for a loan.

6.5 Certificates will not be issued in respect of Shareholdings in the Fund(s) but any documents evidencing title to an ISA Investment will be held by the Manager or as the Manager may direct.

6.6 If you hold any cash in your Account, we will deposit it in a client money account in our name, with an appropriately regulated bank or institution of our choice in the United Kingdom in accordance with our obligations under the Rules. The bank will hold the cash on our behalf in a trust account separate to any account used to hold money belonging to us in our own right. We will not be responsible for any acts or omissions of the bank. In the event that the bank becomes insolvent we will have a claim on behalf of our customers against the bank. If, however, the bank cannot repay all of its creditors, any shortfall may have to be shared pro rata between them. No interest will be paid on such cash in accordance with the Regulations and the Rules. If we are holding cash, whether client money or not, we may withdraw it and apply it towards paying fees, charges and other sums due to us.

6.7 The Manager may employ agents in connection with the services it is to provide and may delegate all or any of its powers or duties to any delegate or delegates of

its choice. The Manager will satisfy itself that any person to whom it may delegate any of its functions or responsibilities under these Terms and Conditions is competent to carry out these functions or responsibilities.

6.8 The Manager has appointed DST Financial Services Europe Limited as the Administrator to the Accounts.

6.9 Money will not be borrowed on the Investor's behalf. The Investor will not be committed to underwrite any issue or offer for sale of securities.

7. Charges and Expenses

7.1 No charges will be levied for the management or administration of the ISA. However, the investment of new subscriptions and transfer payments will attract the normal charges applicable to investors in the Fund. (For further detail please refer to the Key Investor Information Document and the Prospectus).

7.2 There is currently a 5% initial charge based on the Net Asset Value for purchases of Class A Shares in the Funds. Details of all fees and expenses associated with the fund(s) can be found in the relevant Key Investor Information Document or the prospectus. These charges may only be increased in accordance with the Rules and you will be notified accordingly.

7.3 In the case of transfers, we reserve the right to pass on to you any expenses or costs incurred when transferring Accounts between account managers or transferring your Investments, including any VAT due on these charges. We may review our charges when we consider it appropriate and will notify you 60 calendar days in advance of any increase in our charges.

7.4 If you do not have enough cash in your Account to pay our charges, or any payment of taxes, as they become due, we may sell Shares in your Account to raise the required amount. We may apply or waive any of our charges at our absolute discretion.

7.6 Please note that other costs, including taxes, may arise that are not paid by the Manager or imposed by it.

8. Withdrawals from your Account

8.1 An Investor may, by giving written notice to the Manager, make cash withdrawals of all or part of their Account at any time. On receipt of the Investor's written instructions to make a withdrawal and within such time as stipulated by the Investor in those withdrawal instructions (subject to any reasonable business period not exceeding 30 days, which we require for the practical implementation of the instructions) part of the Account shall be paid to the Investor. If an Investor withdraws all of his Investment his Account will be automatically terminated. This notice of withdrawal should be sent to the Administrator at the operating address given in the Prospectus.

8.2 Normally, Shares in the Fund(s) will be sold at the next selling price prevailing at the time of receipt of the written notice by the ACD's Administrator, and the proceeds thereof will be dispatched within four business days following receipt of satisfactory renunciation.

9. Income from your Account

9.1 If you ask us to pay out your Fund income to you,

we will buy income Shares, if they are available, in the Fund(s) of your choice. If you ask us to reinvest your Fund income we will buy accumulation Shares. Please refer to the Prospectus to confirm the availability of income Shares and accumulation Shares in your chosen Fund.

9.2 If you change your income instructions we will automatically convert or switch your Fund investments to the appropriate type of Share if they are available (that is, income or accumulation Shares) free of any sales charge.

9.3 We will reinvest any further income your Account receives in the form of distributions, or other rights or proceeds from any Shares held, in the same underlying Shares, where you still hold these Shares, unless you instruct us to pay this out to you. Where you have switched the underlying Shares into Shares in other Funds the reinvestment will be made into these other Shares. Where you no longer hold the underlying Shares within your Account, the income will be paid out to you.

10. Transfers and Termination

10.1 On your written request we will, within such time as stipulated by you in those instructions (subject to any reasonable business period not exceeding 30 days, which we require for the practical implementation of the instructions) arrange for the transfer of the ISA (or part thereof) to another approved manager and where possible within such time stipulated by you and subject to the Regulations. However, we cannot guarantee that the transfer will take place on the date requested.

10.2 The Manager may, following 30 days' prior written notice, transfer its responsibilities as manager of the ISA to any entity (including an associate of the Manager) which is approved under the Regulations as a plan manager, if that other entity writes to the Investor and undertakes to carry out all the Manager's duties and obligations in respect of an Account. Following such communication, the Manager will be released from all those duties and obligations that the new manager has undertaken to carry out. Before such a transfer is carried out, the Manager shall satisfy itself that any new manager is competent to carry out those functions and duties to be delegated or transferred.

10.3 The Manager will consider requests in writing to accept the transfer of an ISA held with another approved manager but will require the transfer to be effected in cash.

10.4 The Investor may terminate the ISA immediately by giving the Manager prior written notice. Such termination shall not prejudice the completion of any transaction commenced prior thereto. The Terms and Conditions shall continue to apply until all outstanding transactions and liabilities have been performed and discharged.

10.5 The Investor may in the termination notice (referred to in clause 10.4) elect to transfer all or part of the Investments to the main Share register and such Shares shall henceforth be registered in the sole name of the Investor. On written notice to terminate the Account, and within such time as stipulated by the Investor in those termination instructions (subject to any reasonable business period not exceeding 30 days, which we require for the practical implementation of the instructions), Account interest and dividend rights or other proceeds or any cash shall be transferred to you. We will send you any

proceeds due, less any applicable charges. Where all or part of the Investment is not transferred, they will be sold at the prevailing forward selling price at the time of receipt of the notice and the Manager shall account to the Investor for the proceeds.

10.6 Proceeds may be paid by cheque or, at your request, electronically; if the latter method is chosen we reserve the right to retain redemption proceeds until all anti-money laundering documentation has been received. Such redemption proceeds will be held on a client money account: no interest will be payable.

10.7 The Account may be terminated by the Manager, at its sole discretion and without giving any reason, by giving the Investor 60 days' written notice. In such circumstances you will have the right to transfer the Account to another plan manager or to receive the investments or their cash value at the relevant time. There is a potential loss of income and growth following a rise in the markets whilst the ISA transfer remains pending.

10.8 The Manager may deduct from the amount of any payment or transfer of Investments an amount to satisfy any sums due to him under these Terms and Conditions and tax liabilities of the Investor (or his personal representatives) for which the Manager is accountable.

11. Death

11.1 Investments cease to be tax-exempt with effect from the date of death of the Investor and the ISA will therefore be terminated immediately upon receipt of a copy of the death certificate.

11.2 The Investments will be transferred, outside the ISA, to the order of the Investor's personal representatives pending receipt of grant of probate and their further instructions. Notwithstanding the termination of the ISA status, the Manager's rights and powers under these Terms and Conditions shall continue and shall bind the Investor's personal representatives.

11.3 Where an ISA holder has died on, or after, 3rd December 2014, their surviving spouse or civil partner can now inherit their ISA tax benefits. The surviving spouse/civil partner will be eligible for an additional allowance equal to the value of the ISA on the date of the holder's death. This Additional Permitted Subscription (APS) is in addition to the surviving spouse/civil partner's usual ISA allowance. Details about how to claim the APS will be sent to the executor(s) along with the required application forms.

12. Reports and Shareholders' Meetings

12.1 The Manager shall send the Investor regular quarterly statements showing the number of Shares held a valuation of those Shares and details of all transactions for the period. Full Long Form Report and Financial Statements may be requested free of charge from the ACD.

12.2 Voting rights attached to Investments will not be exercised by the Manager but arrangements will be made by the Manager for the Investor, if he or she so wishes, to attend Shareholders' meetings, to vote and to receive any other relevant information issued to Shareholders in addition to the annual or interim reports in respect of the Funds.

13. Cancellation Rights

13.1 When your application has been accepted the Manager shall send to you a cancellation notice, as required by the Rules. In order to exercise the right of cancellation, the notice must be returned to the Manager within 14 days of its receipt. In such an event, the Investor will receive back his or her subscription, unless the value of the investment has fallen at the date of the Manager's receipt of the notice. In this case a deduction will be made of the amount by which the value of the investment has fallen.

14. Complaints

14.1 The Manager operates a written complaints procedure in accordance with the Rules and details of this can be found on the Important Information page of our website at www.tutman.co.uk or can be obtained by writing to the Complaints Manager at the address given below. Any complaint should in the first instance be addressed to the Complaints Manager at:

15. Compensation

15.1 In the event that the ACD is not able to meet its financial liabilities to the Investor, the Investor may be entitled to compensation under the Financial Services Compensation Scheme established under the Financial Services and Markets Act 2000. Most types of investment business are covered for 100% of the first £85,000. This level of compensation is set out by the UK Government and can change. 16. Liability and Rights of the Manager

16.1 We will not be liable to you for any costs, claims, demands, losses, expenses or any other liabilities whatsoever (including any demands or claims by HM Revenue & Customs) as a result of any loss of opportunity to increase the value of any of your Investments, or any depreciation in the value of any of your Investments other than as a result of our negligence, fraud, wilful default or breach of the Rules.

16.2 We will not be liable for acts or omissions by us or any third party, whether or not that third party is acting as our agent, unless it arises as a result of our negligence, fraud, wilful default or breach of the Rules. 16.4 The Manager may, without prior notice to the Investor, apply any cash or realise any Investments in payment of any taxes, fees, commissions and/or expenses owed by the Investor to the Manager. In the event that such liabilities remain unsatisfied after such action, the Investor shall on demand promptly pay the Manager any shortfall.

16.5 The Investor shall indemnify the Manager in full in respect of any liabilities, taxes, costs, charges and expenses incurred in connection with the ISA.

16.6 To the extent permitted by the Regulations, the Manager may make claims, conduct appeals and agree on the Investor's behalf liabilities for, and any relief from, tax in respect of the ISA.

In particular, you must tell us promptly if you cease to be a Qualifying Individual, change your address, your personal status, your Financial Adviser, or other information you have given us in your Application or any other significant change in your circumstances which might affect your Account.
